

**JEFFREY ALEX**

3 French Drive, Hillsborough, NJ 08844 · jeffreyaalex@gmail.com · 908.462.2333

## **Education**

2011 - 2016

**Northeastern University** | Boston, MA  
*Bachelor of Science in Architecture*

2014 Jan - Apr

**Humboldt University of Berlin** | Berlin, Germany  
*Semester Abroad*

## **Experience**

2017 March - Present

**Bohlin Cywinski Jackson** | Wilkes-Barre, PA  
*Designer*

- Used an iterative process to document studies, options, and the construction of a 4,000 SF house and studio in Michigan with 2010 AIA Gold Medal Laureate, Peter Bohin, and associates Jeff Jones & Todd Howard
- Successfully created an immersive experience within a forest while responding to the topographical challenges of an existing site
- Surveyed the golden ratio on the design of a 200 SF prayer building overlooking Lake Michigan

2015 Jul - Dec

**Payette** | Boston, MA  
*Co-Op Intern*

- Coordinated construction administration documents for Northeastern University's new 220,000 SF Interdisciplinary Science and Engineering Complex (ISEC)
- Generated a walkthrough animation to demonstrate the spatial experience through the ISEC
- Created design options and assisted with presentation packages for a proposed bridge to expand the campus east of the existing Amtrak and MBTA rail lines

2012 - 2014

**Paulus, Sokolowski & Sartor** | Warren, NJ  
*Co-Op & Summer Intern*

- Led the documentation of plans to restore the first floor of a 10-story apartment building flooded by Hurricane Sandy
- Generated a catalog of window designs and combinations for a condominium building overlooking Manhattan, NY
- Produced drawings for the design development stage of an elementary school in the Bronx
- Created construction documents for two new 4-story mixed-use developments in New York
